Almond Crack Out Event

Wednesday,
June 17, 2026

8:00 AM-
3:00 PM

Merced College,
3600 M Street, Merced, CA
AGIT building

This special event allows almond growers, handlers, and nursery representatives to see, taste, and evaluate new varieties coming from both public and private breeding programs, while providing an opportunity to discuss what almond quality means from different perspectives across the value chain.

Due to the nature and activities of the content, seats will be limited. Please make sure to RSVP to save your seat.
